A Testing Time

David G Mason

For many this is the season of examinations. Often this is a testing time not only for the candidates, but also for the rest of the family. So much can seem to hang upon the results that it is often a time of great pressure and tension. Exams are important but it is necessary to keep a sense of proportion. During the exams it is important to concentrate and to perform as well as you are able but when they are over do not dwell on the possible results. What is done is done, and no amount of worrying will alter that. The time spent waiting for results should not be allowed to feel like waiting in the condemned cell. By all means consider the various ways forward that depend on the outcome of the examinations, but try not to be too pessimistic. Think of all the energy that will have been wasted in worrying should the results be better than was believed possible. Life will go on whatever the results, although its direction may not be exactly as was wished.

Throughout our lives we will undergo tests of many different types. Often our lives will be affected by the outcomes of the tests, and sometimes we may be disappointed with the direction that life takes. But sometimes what seemed to be a disadvantage will, in time, prove to be much better than we could have imagined. Those who have committed their lives to Jesus are warned that their journey through life will not always be easy, that they may undergo very challenging tests on the way. Sometimes they may come to believe that God has deserted them that they have in some way failed and become lost on the way. This is no time for resting and feeling sorry for themselves. It is a time to seek God in prayer, and to learn again his will for them. In years to come they may well come to see that this time which seemed to be a time of failure proves to be a turning point which brought them closer to God and deepened their involvement in discipleship.

I hope that all those undergoing examinations will achieve the results that they require, and move on to the next part of life's journey. In fact they will move on to the next part of the journey whatever the results, even though the journey may not take the direction that they expected.

Christian Aid

Gill Greenish

Thank you to those who collected and everyone who donated. The total collected was £428.45

Churchyard Gardening

The annual churchyard gardening and tidying up will take place on Saturday 18th June 2005 starting at 9.30am and helpers are sought. We welcome help from all parishioners especially those with green fingers

Save the Children Fund

Many thanks to the residents of Marriotts Close and Trinity Close in Felmersham for the excellent door to door envelope collection of £63-45 in early May during national Save the Children Week. If anyone in the villages is willing and able to collect at the same time next year so that more of the village is covered, I would be grateful for a call on 782523. Thanks again.

Felmersham and Radwell Village Hall

Thank you to those six representatives of the parish who attended the recent AGM. The Committee is currently looking for a representative for Radwell, a Secretary and a cleaner. For details please contact the Chairman, Janet Cook on 781373. The Hall is a vital meeting point for people of all ages in the community, so now it's your opportunity to take a valuable part in village life.

Janet Cook

Felmersham and Radwell Parish Council

At the meeting held on the 3rd May 2005, the Chairman, David Cook was re-elected, as was Vice-Chairman Michael Thomas.

The meeting was attended by all Parish Councillors and several members of the public. Also attending was our new Beat Officer, PC Rob Smith, following several incidents of vandalism and anti-social behaviour in the parish. PC Smith urged residents to report all such incidents to the Police, and if necessary to ask for an incident number to make sure the calls are logged.

The damage to the bus shelter at Radwell was discussed. It was decided it would not be economically viable to re-build and the Council will look at other designs which would be more in keeping with the location.

Following a question regarding the cutting of verges, the Clerk advised that these are cut to one metre width only. There is a problem on wide verges when undergrowth and brambles grow out from hedges.

A meeting with the Chief Planning Officer regarding the proposed new playing field at Felmersham had been positive. However, he would like to see evidence that parishioners are in favour of the scheme – a playing field in return for plots for two new houses. This will be included in the Vital Village questionnaire which, following trials, is about to be distributed.

The next meeting will be on Tuesday 5th July at 7.30 pm.

Hemingford Ladies Choir

The Choir will sing at St Mary's Church on Saturday 11 June at 7.30pm, as part of the village Flower Festival weekend to raise money for Cancer Research UK.

They have a repertoire of varied music - from John Rutter to Richard Rogers, Bach to Bernstein, and some well-known fun favourites. The Cambridgeshire based choir has some exceptional musical talent amongst its members, none more so than Caroline Jones, the Musical Director, who recently sang in concert with Denise Leigh (the joint winner of Channel 4's "Operatunity"). Join them for an evening of fun and uplifting entertainment and support a very worthy cause. Tickets £6 from Lorraine (781381) 1 Trinity Close, or Pat (782165) St Mary's Cottage.

Flower Festival

The Flower Festival will take place over the weekend of 11/12 June 2005. The Organisers wish to thank the Vicar and the PCC for allowing all profits from this weekend to be donated to Cancer Research UK. So please come along and support this worthy cause.

Times are - Saturday 11 June, 10.30 am to 4.00 pm and Sunday 12 June, 12 noon to 7.00 pm. Entry is by programme costing £1.50 which is available on the door. Afternoon teas will be served at the Old School House, Felmersham 2.00 pm to 5.00 pm on both days - with kind permission of Judith and David Folbigg. We look forward to seeing you.

Felmersham and Radwell W.I.

We celebrated not only Wendy Williamson's first meeting as President, but also her birthday, and toasted these events with a magnum of champagne kindly provided by Derek, her husband. May Mills presented Wendy with a plant.

Our speaker this month was David Braybrook, who after 7 months of training became an RSPCA Inspector, 18 years ago. He described the trials, tribulations and rewards of the job, and gave us some details of the cruel and illegal animal traps discovered by himself and his colleagues.

We shall be serving teas at Judith and David Folbigg's - The Old School House, High Rd.- during the Festival Weekend, on 11th and 12th June.

Our summer outing on 21st June will be to the Thurleigh World War II museum.

Licensing Service

The Licensing of Rev. Robert Evens and Rev. David Mason will be held at at Peter's Church, Sharnbrook on Tuesday 14th June at 7.30pm. It will be conducted by the Bishop of Bedford and parishioners from Felmersham and Radwell, Sharnbrook, Souldrop and Knotting are most welcome to attend. There will be an opportunity after the service to meet the Bishop and our new team clergy at Sharnbrook Village Hall over refreshments.

Coffee Morning

The Church Coffee Morning for June, in aid of the Church Organ fund, is hosted by Geoff and Celia Hulatt, on Saturday 4 June 2005 at 10.30am. Next month's will be held at John and Marigold Sykes on Saturday 2 July 2005 at 10.30 am. Home-made cakes, toiletries, produce and bric-a-brac for the bring and buy stall will be greatly appreciated. LINCROFT SCHOOLFUND RAISING

Mike Lavelle
Lincroft School is currently fundraising for a first class sporting and arts facility to be opened in January 2006. Not only will present and future pupils benefit but also past pupils and the entire community served by the school.

The school has raised about 80% of the project costs through a combination of fundraising and capital grants. Nevertheless we remain short of the overall funding we need to realise the full scheme (albeit tantalisingly close!).

The School would be interested in any ideas that would support our efforts. We are planning a very prestigious opening of the new facilities and full acknowledgement of the support the school has received will be prominently advertised and displayed. The following are suggestions only – we would be keen to accept support 'in kind' or benefit from any ideas offered:

We would also invite more significant contributions to the development from benefactors or companies wishing to help build a legacy, with the School and the community as beneficiaries. There is an opportunity to contribute, as a significant sponsor, to one of the discrete developments of the project.

These include: a new music room; a music practice area; a drama and dance studio; the redeveloped school hall (already used extensively by the local community); the sports hall (4 badminton court size); and, the refurbished changing rooms (suitable for adults to use during evenings and weekends).

We are interested in providing better sports and arts facilities for the disabled. This could mean, for example, the provision of disabled changing and bathroom facilities, and the further extension of access to the facility

We are aiming to launch a major raffle and would be very interested in any ideas or donations for prizes. We hope to extend the scope of our fundraising further afield because of the quality of the prizes we would be offering. Points of sale and collection points for raffle tickets in the Bedford area would be a great help.

We will be holding our Summer Fête on Saturday, 18th June. If you are interested in helping or perhaps running your own stall please contact the School. All proceeds have been earmarked for the project.

We are also looking for mutual support from local clubs and societies. For example, the provision of equipment and resources that could be used jointly by a community group and the School (e.g. 5-a-side goals, indoor cricket nets and matting, demountable staging and arts equipment, badminton posts and nets etc). The School operates a generous concession to hire facilities for local community organisations.

We look forward to hearing from interested individual, organisations and businesses – any help, regardless of scale, and fresh ideas would be great. If you think you can help the school realise an important community facility, please contact one of the following through the School on 01234 822147 or by email on admin@lincroft.beds.sch.uk: Susan Chennells, Bill Chalker, Mike Lavelle, Alyn Walker
